The above link is attached for parents to file a complaint.

We will pass the complaint form and go over the process at all discipline meetings for all students involved with formal discipline through in school and out of school suspension.

At the informal hearing if suspended for 3 or more days the principal will provide education about AEDY and the procedures and complaint process.

The form will be on the website and will be explained at intake meetings. This will insure parents will know it is available on our district website.

The Complaint form and process will be reviewed at intake meetings. It will also be reviewed at each review meeting every 45 days if applicable.

If a child has an IEP the form and procedures will be reviewed at the Manifestation Meeting.
