Oakview P.E.P. Winter Fun Day and Presidents for P.E.P. Fundraiser

Oakview P.E.P. will be hosting a Winter Fun Day on February 22 from 3-6 pm at Oakview. There will be sled riding, snowman building (if weather permits), activities, a movie, and so much more! This will be a great event to share with your family!

Starting Tuesday, February 4th, Oakview will begin the “Presidents for PEP” Challenge! Each student is encouraged to bring change to place into their classroom canister. The classroom raising the most money by Presidents Day will earn a party hosted by P.E.P.! There will also be a prize for the runner-up. All money raised will be used for student programming and activities at Oakview. Good luck!

# Lakeview to Host County Spelling Bee

Lakeview School District will be hosting the PSEA sponsored Mercer County Spelling Bee this March. The Spelling Bee is for students in grades 4-6. The participating schools will have their own local Spelling Bee and the winners from there advance to the County Bee. Each contestant and their family are welcomed to Lakeview with a complimentary breakfast and the Spelling Bee begins at 9:30 AM in the Lakeview Middle/High School Auditorium. All of us at Oakview wish our spellers the best of luck!
Cole Kudiak Wins the Oakview GeoBee

Eighteen students from Oakview Elementary elected to participate in the school competition of the National Geographic GeoBee on January 23rd. Cole Kudiak, a 4th grade student, won 1st place, with Ethan Johnson, a 5th grade student, taking 2nd place, and Anderson Kaltenbaugh, a 5th grade student, finishing in 3rd place.

The school competition is the first round in the National Geographic GeoBee, a geography competition designed to inspire and reward students’ curiosity about the world. Questions cover not only geography, but also ancient and world civilizations, cultures, and physical features. The National Geographic Society developed the GeoBee in 1989 in response to concern about the lack of geographic knowledge among young people in the United States. Over more than three decades, more than 120 million students have learned about the world through participation in the GeoBee.

School champions, including Cole, take an online qualifying test; up to 100 of the top test scorers in each state then become eligible to compete in their State GeoBee. The winners of the State GeoBees receive an all-expenses-paid trip to participate in the GeoBee national championship in Spring 2020. Students will be competing for cash prizes, scholarships and an all-expenses-paid expedition to the Galápagos Islands aboard the National Geographic Endeavour II.

In celebration of Dr. Seuss’s birthday, all elementary students may invite one or two guests to enjoy green eggs and ham breakfast with them on March 2 (Monday), March 3 (Tuesday), or March 4 (Wednesday), 2020. We must limit the number of guests because of time and space. Guests for this event (parents and students) are to report directly to the gymnasium. They are not to go to the classrooms. Breakfast time will be extended from 7:30 am-8:30 am to accommodate this event.

All adults MUST prepay (Cash or Check to Lakeview School District). Cost for the adult guest(s) breakfast will be $2.00 each. Student breakfast will be charged to their student account accordingly. Students who normally eat breakfast but do not have an accompanying adult, will still be served as usual.

The menu that morning will include scrambled eggs, ham, toast, and coffee as well as assorted pastries and other selections.

Please fill out the bottom of this sheet if you plan to attend and return to the Oakview Office by Thursday February 13, 2020. YOU MUST PREPAY AND RSVP TO ATTEND.
