Hello Families!

This is just a little note to let you know that our school collects Box Tops and we would absolutely LOVE it if you could collect them and send them in to your child's classroom.

You can find them on lots of packages...everything from school supplies to taco shells! Each regular Box Top clipping is worth 10 cents, and those can add up quickly when we all turn them in.

Thank you in advance for your participation!

Sincerely,
The Oakview Box Top Team
**Summary**

The Kindness Adventure is a live, 45 minute assembly for elementary schools. The performer will take a trip to Kenya with his initially skeptical sidekick, NED. This is where the adventure begins! Through storytelling, music and interactive videos, everyone discovers that it’s the differences that make experiences and new friendships so great.

The Kindness Adventure assembly can support your initiatives for developing a positive and caring school climate. Its proactive approach aims to prevent many forms of mistreatment, including bullying, by showcasing the sense of satisfaction that takes place when a child chooses to show kindness, respect and acceptance.

**Program cost**

The Kindness Adventure assembly is brought to your school at no cost because of our unique Pay-It Forward™ program. Through this program, another school has already made it possible for us to visit your school and you can do the same for other schools. After the assembly, students will have the opportunity to purchase beaded and carved jewelry and other hand-crafted items, made by artisans in Kenya.

Each item purchased pays it forward in three ways:

1. **gives** your students a kindness reminder
2. **sends** the Kindness Adventure assembly to other schools
3. **provides income** for artisans in Kenya

A small portion from each item sold provides over 100 gallons of clean water for kids in Kenya.
