Oakview Think Tank

A new classroom at Oakview has encouraged students to work collaboratively, think critically, communicate effectively, and create dynamically. Whether it is coding a robot, designing a project on the Lego wall, or creating a Macy's Day Parade float, there is something for every learner.

The Think Tank was made possible by grants and donations from local businesses. Oakview was awarded a \$10,000 Bayer Grant to create a dynamic learning environment for students with a focus on increasing agricultural awareness and community partnerships. To be eligible, a school must apply and then be nominated by a local farmer. A special thanks to Mr. Norm McCurdy for his nomination and making this possible. Through this grant, second grade students have been meeting monthly with Lakeview graduate and Mercer County Conservation District Educator, Jacqueline McCullough, to learn more about pollinators and the environment around them.

A pollinator garden was installed as part of the summer school program this year and was made possible with donations from Nelson's Heirloom Gardens, All About Ground Cover, Earthscape, and

Munnell Run Farm. Students will also be making mini-commercials for local businesses in the new Think Tank Learning Lab.

Lakeview: Lending, Leading, Learning was the slogan for an additional Ignite Grant. Through this competitive grant, we have created the Think Tank Lending Library with supplies that can be borrowed by local organizations, preschools, and libraries. Families can also request resources like KEVA Brain Builders, Learning To Code Folder games and engineering challenges to do at home. These resources allow families to work together at home to solve real world problems using 21st century learning skills. Our goal is to make meaningful activities accessible to students and for families to spend time together.

The Think Tank supplies were used for Oakview's inaugural Macy's Day Parade in November. Students completed this cross-curricular project in library, art and STEM. Students have also enjoyed creating transportation vehicles with Knex, racing to get vegetables while making Stone Soup, and figuring out tangrams. The Think Tank is a great place for a kid to be a kid!

OLWEUS Student Leadership for the Olweus Bullying Prevention Program

Lakeview School District is in its second year of implementation of the Olweus Bullying Prevention Program. A goal for this year is to get students more involved in the program, taking ownership and helping to lead positive change. The second annual kick-off event at LMHS occurred during October, which is Bullying Prevention Month.

This year, Mr. Cumpston's Video Production class planned, recorded and produced a school-wide video to kick off the program and send the message that we have "High Hopes" for our school and community. We are committed to continuing our journey towards an ever safer school environment by building awareness of how to recognize bullying, how to report witnessed or suspected bullying and how we can become a community of "upstanders" who is supportive of peers and unwilling to accept bullying as the "norm."

Taking feedback and direction from our outgoing 2019 Seniors, the LMHS Coordinating Committee has taken steps for the 2019-2020 school year to include students in leading the efforts in bullying prevention at the middle-high school level. Our Juniors have the opportunity to lead class meetings on topics related to bullying prevention and positive school culture, partnering with Advisory teachers and grade level student leaders from

grade 6 through 11.

The Olweus Bullying Prevention Program is research based and includes components at the individual, classroom, school and community levels while working to increase parental involvement and awareness. The program also works to make relationships better among students and is intended for all students, not just those who are being bullied or who are bullying others. The overarching goals of OBPP are to reduce bullying problems and prevent new bullying problems from happening. Our district and community are strengthening ties and efforts to promote an anti-bullying culture in our schools, on our athletic fields, on our buses and throughout the Lakeview community.

This year, several individuals representing community businesses and organizations attended the kick off to support our efforts and will be

displaying the OBPP rules in their establishments to mark them as "safe spots" for students outside of the school day.

We would like to thank the following business and community members for

their support: Scott Patton and Brad Doyle from Mercer County State Bank, Kim Doyle of Rock Creek Wellness, Kristine Minor and Mandy Campbell from Kristyak's, Janet Pratt of Methodists United in Faith, Chief Mike Turik of Stoneboro, Chief Mark Jaskowak of Sandy Lake, Troy Shearer of Anchors Away and Wendy Kellog from the Sandy Lake Library. Students are expected to follow our bullying prevention rules, including:

Tell an adult at school and at home if you or someone else is being bullied. It is crucial that adults outside of school take any reports of bullying seriously and communicate information to our school staff. All administrators, faculty and staff members have been trained to deal with bullying situations when we see, suspect, or are told of them. The following link is one way you can report bullying behaviors to the school: <https://www.safe2saypa.org/tip/>. You can also call 1-844-SAF2SAY or download the free Safe2Say app. This bullying behavior reporting form can also be accessed on our district webpage.

Local churches, businesses and organizations are encouraged to contact Mrs. Laurie Snyder, LMHS Academic Principal and Olweus Trainer/Consultant by email at l_snyder@lakeview.k12.pa.us or by calling the Academic office at 724-376-7911, in order to receive a Lakeview Bullying Prevention Poster to display or find out how to donate to our Sailor 200 club, which recognizes our students for positive behaviors. Parents may also contact Mrs. Snyder or one of the other Lakeview Principals for more information or assistance with a bullying issue.

Bullying should not be seen as "kids being kids" or something that students have to endure as a right of passage. Having a safe school experience is something that all students should be able to enjoy. Working together, we can make a "Sailor Shift" that will move us all in the right direction.

Memorial Essay Contest

The winners of Ed Praskovitch Memorial Essay Contest were recognized, once again, at this year's Veteran's Day Assembly. Ed Praskovitch, a veteran, attended the annual assembly for many years before approaching Mr. Blakley about sponsoring an essay contest for sixth graders. For years, he provided the cash prizes for the winners of the 6th grade students writing the essays. Two years ago, Mr. Praskovitch sadly passed away. His family continues to attend the ceremony in his absence and even presented a large

check to Mr. Blakley to keep this contest going for many years.

According to 6th grade English teacher, Mrs. Becki Williams, this year's topic was, "I believe that all service men and women deserve to be honored."

First place winner was Rachel Hoovler who won \$75, second place was awarded to Audrey Potter who received \$50, and third place to Austin Haines who received \$25.

Veterans Day 2019

On November 7, Lakeview Middle-High school welcomed our Veterans for our annual Veterans' Day program. Approximately 110 local veterans and their families enjoyed a continental breakfast before being escorted into the auditorium by Pipe Major Ross Williams. The guest speaker this year was Corporal Harmon Silloway.

Harmon Silloway, or as he is really known as Ed graduated from Cochranton High School in 1983.

Ed enlisted in the United States Army in 1984 and was assigned to the First Cavalry Division at Fort Hood Texas. While serving at Fort Hood, Ed was asked to assist and

provide daily assistance to the Commander General. Ed was instrumental in providing information and logistics for the Commander's Office for the next 3 years.

Upon his honorable discharge in February 1988, Ed joined the artillery reserve unit in 1989 and was deployed to defend Saudi Arabia and ending up liberating Kuwait in January-February 1991.

Ed became a member of the Pennsylvania State Police in 1992 and was stationed in Indiana, PA from 1993-1998 before being promoted to corporal. Ed served the PSP in the

barracks in Stonington, Emporium, Coudersport, Erie, Meadville and finally Mercer. Ed was also a member of the elite Tactical Mounted Police for more than 18 years. Corporal Silloway is currently serving as a school police officer at the Mercer County Career Center.

Staff Spotlight

The Lakeview School District is very fortunate to appoint Julie Lyon as the Assistant to the Superintendent.

Julie Lyon, Assistant to
the Superintendent

She received her Bachelor's Degree and first Masters Degree from Slippery Rock University in Elementary NK-8 and Reading Specialist PreK-12. She has taught at the

elementary level for 9 years in VA and PA. She received a second Masters in Educational Leadership from Shenandoah University in Virginia. She became an Assistant Principal at Rolling Ridge Elementary in July of 1998 in Loudoun County, Virginia. In August of 2002 Mrs. Lyon became Principal at Hillsboro Elementary and then joined Catoctin Elementary as Principal in 2004. Mrs. Lyon relocated back to Cochran, PA in 2006 and became the Principal at Saegertown Elementary for 9 years. In December of 2007 she received her Letter of Eligibility from Edinboro University. In July 2015 she was promoted to Central Office in PENNCREST School District as the Supervisor of Curriculum K-12 and Federal Programs for 3 years.

Mrs. Lyon has been very impressed with the teaching staff and administration at Lakeview School District. Creativity, compassion and importance is given to each individual student being successful in a positive and orderly environment. She has witnessed staff going above and beyond daily to demonstrate Lakeview Cares. The STEM initiative is amazing and leading the way for students to succeed while getting a solid foundation in coding and technology skills to help them progress and promote higher level thinking skills. The one to one Chromebook initiative is preparing our students for their future in a competitive workforce, secondary institution or the Armed Forces. Student leadership opportunities are impressive and the OLWEUS kickoff was top notch. The community is such a strength for this district supporting sports, family nights, PEP, Musical performances, Veterans Day Observance, and collaboration with the Ministerial Committee to name a few of the supports for our students! The school board is another hidden treasure always seeking to put students first and support top notch education. We have much to be proud of as SAILORS in Lakeview School District.

Mrs. Lyon's goals are to continue to support top notch education and assist with horizontal or vertical alignment of curriculum and STEM. To

support differentiated instruction to create a successful path for all Lakeview School District students. In addition, to support trauma informed classrooms and helping to build resilience in our students and support our Student Assistance Programs. Finally assist and promote fidelity with Positive Behavioral Interventions and Supports (PBIS) K-12, and support OLWEUS Anti bullying program. She will continue to support teachers as they look for ways to enhance instruction and opportunities to meet the needs of their students.

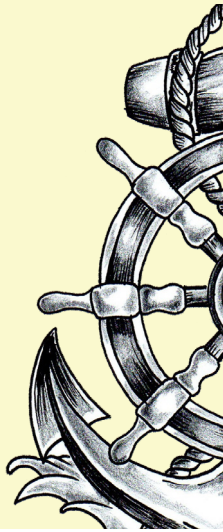

Lakeview Supports Six New Teachers Through Induction Program for the 2019-2020 School Year

Lakeview has six exceptional new teachers participating in the induction program this school year. Each new member of the faculty is assigned a mentor and participates in monthly classes and observations of peers to help give them a solid foundation for their teaching career.

Lakeview School District takes great pride in hiring excellent staff as well as working to acclimate them to our district. Striving for retention to the profession as well as supports to help them be the best they can be in the classroom every day! Our new

Justin McGinnis
Science Department

staff is privileged to join a phenomenal teaching staff for our students. We welcomed Mr. Raatz, Mrs. McCauley, Miss Milito, Ms. Moore, Mr. McGinnis, and Mrs. Yard.

When interviewed about the best things about Lakeview School District, here are some of their responses:

- Principals always being there to answer questions and support you when needed
- Having many “teacher friends” who give me helpful information when I’m confused about something. They also lead me in the right direction when I have multiple questions. They are straightforward and honest with their opinions.
- I perceive that there is good collaborative work occurring within Middle School grade level teams. Additionally, I perceive that CHS courses are being conducted well within the district and offer students a unique opportunity to gain college credits while in High School.
- More parent involvement! (PEP)
- Teachers are always willing to help other teachers.
- Extra staff to support student needs at recess.
- Cooperative planning with grade level teams has been very helpful.
- Communication between teachers and support staff.
- Teacher collaboration/co-teaching and Monthly Special education PLC’s to support new staff.

- Team work within a grade level to support student needs.
- Working well as a special education department to meet students needs.
- Always able to ask questions.

Mentor’s are key staff for a teacher’s first year in the district, as some staff have prior experience and getting to know our district has been pivotal in their first successful year. The following is what new teachers say about the best advice they have received from their mentors:

- My mentor has been pivotal in my understanding of a number of mechanisms within the district. Most notably are grade submission, how to request time off for bereavement, and how to create content using OnHands.
- How to navigate IEPwriter.
- My mentor is an encourager. He always has answers for all that I ask and he is always free to talk to me when I need it. He gives advice daily about remaining positive, always being honest and to always try my best!
- Be flexible. Things always happen and pop up, you just have to adapt to it.
- If you aren’t sure about something ask another teacher. Use the staff as a support system.
- My mentor shared tips on data collection and teacher collaboration sheets that provide excellent information on student performance in the classroom.

Of course our new staff are here for the students! They enjoy teaching and making a difference every day to help all students be successful! Here are just a few highlights from their first year at Lakeview School District:

- To help a student get their grade from a “D” the first nine weeks to keeping it at a high “B” for the second nine weeks by becoming more personable and understanding with him.
- I see my student success story as

he began the year as a removed and distant student, but he now actively participates in my class, he works well with his fellow students, and has come out of his shell.

- I have two students both using AAC devices in one group and both had been relatively reluctant to utilize their devices. I designed the lesson to teach both the students and their aide on the use of AAC by having them play a motivating game and having each Aide, with my assistance, help the student navigate their devices to request, comment on and reject throughout the session. Both students utilized their devices appropriately on multiple occasions throughout the sessions. This was an improvement from previous sessions where they refused to utilize their devices and it was nice to see the excitement on everyone’s face when they realize that they can do it.
- Helping a student completing tasks for longer periods of time.
- One of the seniors in my classes has said that if she is in the top 10 at the end of the year I will be the teacher she picks to attend the top 10 dinner.
- Working with various colleagues to create a plan for managing a student with several behavioral and learning needs. Together we implemented several things that make this child’s school experience more positive and successful.
- A student who was new to special education thanked me for helping him feel like he was able to finally get the help he needed.

Student success is what makes this a great profession. We are blessed to have hired some outstanding staff to add to the faculty here in Lakeview. We wish them well on their teaching journey.

Oakview Happenings

Oakview Parents as Educational Partners (P.E.P)

Oakview Elementary School's parent-teacher organization, PEP, has hit the ground running. PEP's goal is to provide additional opportunities for Oakview's students including in-school activities, family fun days, field trips, and fundraising to support additional programming. The PEP organization has already participated in our fall family night, a card making activity at Oakview in December, and looks forward to hosting additional activities for our students throughout the year. Officers for the

group include: Christen Burns (President), Kim Doyle (Vice-President), Marti Shearer (Secretary), Anna Tomeo (Treasurer), Kayla Kennedy (Assistant Secretary-Treasurer)

In February, the group will hold a coin drive "Presidents for PEP" fundraiser in school, as well as a family fun day on Saturday, February 22nd. Details on both programs will be included in the next Oakview Elementary School newsletter. We are thankful for the support and additional opportunities that PEP is bringing to our Oakview students!

Parents are encouraged to join the PEP Association. Call the Elementary Office at 724-376-7911 ext. 2137 for more information.

Fine Arts

Coming to Lakeview High School March 12 - 14 is the spring Theatre production of Disney's NEWSIES, the Tony Award-winning Broadway phenomenon. The show is based on the historical newsboy strike of 1899 that shook the ivory towers of William Randolph Hearst and Joseph Pulitzer.

The story details how a band of underdogs took on the most powerful names in New York in a fight for what's right. The poor and orphaned teenagers, selling newspapers for one penny per paper, are pushed to the limit when newspaper moguls Hearst and Pulitzer try to take away more of their meager profits. Jack Kelly becomes the leader who rallies the Newsies from across the city to take a stand and strike against the most pow-

erful publishers in the country. Their cause becomes even bigger than any of the Newsies imagined when they realize they're fighting for all the children working in unfair and unsafe conditions across the nation.

The cast of 43 Lakeview students will be hard at work this spring to bring the show to life. Familiar songs such as "Seize the Day", "Carrying The Banner" and "The World Will Know", along with memorable characters and dance numbers, will make your evening one to remember.

The cast includes Devin McIntire as Jack Kelly; Brandon Guthrie as Crutchie; Melana Vaughn as Katherine Plumber; Cameron McFeely as Race; Kendall Crocker as Finch; Alissa Slater as Elmer; Anna Redfoot as Mush; Austin Stalker as Albert; Dante Borden as Romeo; Sydney Shilling as Buttons; Carly Amon as Specs; John Kocher as Henry; Breanna Naylor as Jo Jo; Rachel Byler as Spot Conlon; Douglas Maxwell as Davey; Taylor Booher as Les; Chance and Michael Ward as the Delancey brothers; Madison Zimmer as Medda Larkin and Nun; Jacob Erlwein as Weisel, Mr. Ja-

cobi, Stage Manager, and Mayor; Jaina Bowmer as Hannah, Nun, and Bowery Beauty; Bradyen Fusco as Bunsen; Brayden Sample as Joseph Pulitzer; Josh Grim as Snyder and Nunzio; Micha Gadsby as Splasher and Bill; Will Trubic

as Seitz. Other NEWSIES cast members include: Alley Daye, Alyssa Johnson, Bellina Devine, Elise Silloway, Hannah Taylor, Jaili Bowmer, Josh Hoobler, Katie Stull, Kaylee Martin, Layla Salinas, Lily Blasco, Mikayla Moose, Mara Barrick, Michael McClure, Paige Kobsik, Shai Hargrove, and Sierra Williams. The play is directed by Chylo Baun and Producer, Beckie Williams.

Show Dates:

Thursday, March 12 @ 7:00

Friday, March 13 @ 7:00

Saturday, March 14 @ 2:00

Tickets:

Students - \$5.00

Adults - \$8.00

PMEA District V Choral Fest coming to Lakeview

On April 3, Lakeview will be hosting the Pennsylvania Music Educators Association (PMEA) District 5 Elementary Choral Fest. This festival will include 20 school districts from Beaver, Butler, Lawrence and Mercer Counties. There will be two choirs consisting of 125 fifth graders and 125 sixth graders. Representing Lakeview in 5th grade includes Madison Gearhart, Lillian Devine, Ava Giovannelli, Olivia Lewis, Sydney Park, Hannah Barnard, Lauryn Redfoot, Addison Olson, Ethan Johnson, Anderson Kaltenbaugh, Ryan Lutz, and Kye Brown. Sixth grade has yet to be selected.

The guest conductor is Amy Kegel from the North Allegheny School District and Amy Beresik from the Fox Chapel School District. The concert is open to the public with ticket price of \$5.00. Host director is Kristen Patton.

Polina Playwright

Since 2015, Lakeview's Theatre Arts elective has had the opportunity to work with the City Theatre of Pittsburgh through a program called the Young Playwrights. Every year, they work with a professional teaching artist from City Theatre who comes to the Theatre class and works with them on writing a One Act play. The students then have the opportunity to submit their play to the Young Playwright's Contest.

Polina Soldatova

This year, City Theatre sifted through 367 entries from 30 schools in seven counties in Western Pennsylvania and three in northern

West Virginia. From those submissions, the Theatre then chooses three winners from the middle school division and three from the high

school. Lakeview's very own senior Polina Soldatova recently received the honorable recognition of being chosen as one of three for her original play "December's Cold". Polina began writing her play during her Sophomore year when she was in the Theatre Arts class. That year, her play was chosen as an honorable mention and was given a special reading. Throughout her junior year, Polina revised and resubmitted her play; this time, Polina was chosen as one of three winners in the high school division. Her ideas came from her literature class she had in Russia. Before moving to Lakeview, Polina was studying the impact many historical figures and events had on her country and she felt that they had a very powerful story to tell. Her play focuses on the hardships and struggles these figures faced throughout the journey of a beautiful love story.

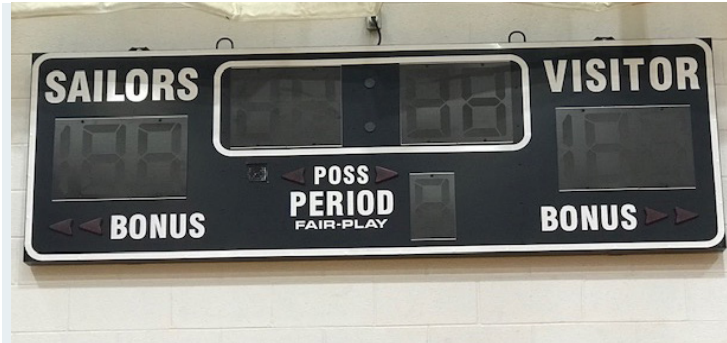

Throughout the summer, Polina worked with City Theatre on rewrites and revisions, helped out with staging and directing and then was

able to see her work come alive. "It was fun and exciting to be able to see how it came together," Polina remarked to the school's newspaper, The Lakeviewer. Mrs. Chylo Baun, the Theatre Arts teacher and director, could not be more proud of Polina and all she has done since arriving at Lakeview. "It's inspiring to see what students can do and I am amazed at all of the talent Lakeview has to offer."

City Theatre held the Young Playwright's festival at the end of October, where Lakeview's Theatre class was able to travel and see Polina's play performed on stage with an amazing cast of professional actors.

Mercer County Career Center

National Technical Honor Society

The Mercer County Career Center is now in the fifth year of having a National Technical Honor Society. In order to be nominated for the Honor Society, students must meet certain criteria including maintaining a 3.3 GPA at the Career Center and a 3.0 GPA at their homeschools. These students also have stellar attendance records. Additionally members met rigorous standards during our application process and are formally selected by a five member faculty council.

During the course of the year, students inducted in the National Technical Honor Society are expected to demonstrate knowledge, citizenship, honesty, leadership, scholarship, service, responsibility, and skill. This year our students will be participating in three service learning opportunities. Students have already organized a Toys for Tots Drive during the month of December. We will be working with Munnell Run Farm to assist with their maple syrup collection and a Food Drive to benefit the Community Food Warehouse of Mercer County is planned for March.

Marissa McLaughlin, Matthew Miller, Damian VanTassel, Bryson Reither, Carson Kyko and Rebekah Hines

Lakeview School District currently sends 75 students to the Career Center each day to study in the following programs:

Auto Mechanics
Carpentry
Collision Repair
Computer Information Technology
Cosmetology

Culinary Arts
Diesel Mechanics
Early Childhood Education
Electronics Technology
Healthcare Careers
Innovation and Entrepreneurial Development
Precision Products
Metals
Protective Services
Welding

Lakeview Alumni Hall of Fame

The Lakeview High School Alumni Hall of Fame Committee was formed in 2016 and is comprised of members from the Lakeview School District, Lakeview School Board, and the Lakeview community. Members are Nancy Keeling (Chair person), Dr. Hendley Hoge, Becki Williams, Bob Foust, Marie Kohr,

Lakeview Alumni Hall of Fame Class of 2019-2020

Betty Moore, Jane Buckley, Scott Black, Cathy Oakes, Patty Adamson, and Dave Blakley. This committee seeks to recognize graduates of Lakeview High School for achievement in their chosen fields.

The inaugural class was inducted in May of 2017. The inductees included Mr. David Alexander, Dr. Daniel Jones, Mr. James McJunkin, and Honorary Sailor Mr. Raymond McCallister. The 2018 class honored Ms. Emily Drew, Dr. William Seddon, Major General Mari Kaye Eder, and Mr. David Hoyer.

Honorary Sailor

Edith Myers

Honorary Sailor nominations are currently being accepted for qualified individuals to be inducted into the 2019-2020 class of the Lakeview Alumni Hall of Fame in

two categories. To be considered for induction as a Distinguished Sailor Alumnus/Alumna, nominees should have accomplished notable academic honors, community service, and professional achievement.

Inductees will have graduated from Lakeview High School at least 10 years ago, been recognized for a high level of achievement in his/her field and made significant contributions to that field, and demonstrated leadership, character, and service in a variety of venues from his/her field of expertise to community, state and national initiatives. Graduates of the schools that existed in the Lakeview School District prior to the consolidation in 1954 are also eligible. Nominations for posthumous awards will be accepted.

To be considered as an Honorary Sailor for induction into the Lakeview Alumni Hall of Fame, individuals must have served as an administrator, teacher, staff member, or as a community member. This individual may be nominated if they have demonstrated contributions in meaningful ways to the Lakeview School District such as influencing and inspiring academic achievement.

Nomination packets can be picked up in the Central Office of the Lakeview School District, downloaded from the Alumni link on the Lakeview School District website, or via email (alumni@lakeview.k12.pa.us). Nominations may also be submitted through the website via the Alumni link.

Nominees who are selected as honorees will be inducted on May 18, 2020. Nominations will be accepted through March 1, 2020. Completed forms may be emailed to alumni@lakeview.k12.pa.us or submitted to the Lakeview School District, Attn: Nancy Keeling, 2482 Mercer Street, Stoneboro, PA 16153.

Lakeview School Board

On December 2, 2019, the Lakeview School Board held its Reorganizational Meeting to appoint into office three newly elected board members and two re-elected board members.

New board members include Steven Beggs, Gage Bartholomew and David Pears. Newly-re-elected members include Jimmy Arbogast and Scott Lewis. During

the meeting Scott Lewis was elected as President, Brad Doyle, Vice President and Adam Raymond, Treasurer.

Immediately following the meeting, Justin Donofrio of the Pennsylvania School Boards Association presented a "Roles and Responsibilities" workshop to the full board board. On December 10, the five new/re-elected board members attended a state-mandated training at Grove City School hosted by the Pennsylvania School Board's Association. Topics included: Understanding Trauma-Informed Education, Legal and Policy Updates and Advanced School Finance.
