

**Lakeview School District
2020-2021
Jetpack Request**

- I live in an area that does not have cellular data (3G or 4G) service and a jet pack would **not** work in my area.
- I do not have wired internet service or any other internet service such as satellite internet in my home to complete required academic work.
- I certify I live in an area that has cellular data service. However due to financial hardship, we do not currently have internet access. If assigned, the jet pack must be returned to the Lakeview School District by June 3, 2020 or when the Covid-19 pandemic is lifted and school is in person. I attest that my family is in need of a jetpack in order to complete required academic work.
