### *Parent Section*

Due to the nature of the Internet and E-mail, it is neither practical nor possible for eth Lakeview School District to ensure compliance at all times with the District's Acceptable Use of Computer Network/Internet Policy. Accordingly, parents/guardians must recognize that teach student will be required to make independent decisions and use good judgment in his/her use of the Internet and E-mail. Therefore, parents/guardians must participate in the decision to whether to allow their child regarding appropriate use of the Internet and E-mail.

As a parent/guardian of \_\_\_\_\_, I acknowledge that I received and understand the District's Acceptable Use of Computer Networks Internet Policy and the Access Agreement being signed by my child.

I understand that Internet and E-mail access is designed for educational and instructional purposes and that the District will discourage access to inappropriate and objectionable material and communications. However, I recognize that it is impossible for the District to prevent access to all inappropriate and objectionable material, and I will not hold the District responsible for materials acquired or contacts made through the Internet or E-mail. I understand that a variety of inappropriate and objectionable materials are available through the Internet & E-mail and that it may be possible for my child to access these materials if he/she chooses to behave irresponsibly. I also understand that it is possible for undesirable or ill intended individuals to communicate with my child over the Internet and E-mail; that there is no practical means for the District to prevent this from happening; and that my child must take responsibility to avoid such communications if they are initiated. While I authorize the District to monitor and review all communications to or from my child on the Internet and E-mail, I recognize it is not possible for the District to monitor and review all such communications. I have determined that the benefits of my child having access to the Internet and E-mail outweigh the potential risks. I understand that any conduct by my child that is in conflict with these responsibilities is inappropriate, and that such behavior may result in the termination of access, disciplinary action and/or legal action.

I have reviewed these responsibilities with my child, and I hereby grant permission to the Lakeview School District to provide my child with Internet and E-mail access. I agree to compensate the District for any costs it incurs as a result of my child's violation of the Acceptable Use of Computer Networks/Internet Policy or its administrative procedures; and I further agree that I will not hold the Lakeview School District responsible for any matter arising by reason of or relating to (a) my child's violation of the Policy or (b) any materials acquired by my child, or contracts made by or to my child, through the Internet or E-mail.
